PROCEEDINGS

The forty-fourth annual session of the Calhoun Baptist Association was held with Macedonia church, beginning Wednesday morning, September 24, 1919, at ten o'clock.

The first song of the session was, "When Millions Come Pouring In."

The devotional exercise was conducted by the Moderator, Rev. J. F. McKibben. The 19th Psalm was read. Rev. T. J. Moore then led in prayer. The song, "How Firm a Foundation," was sung by the congregation.

Letters from the various churches were presented, and were read by Bros. A. A. Brunner and G. E. Denley.

Motion carried to suspend regular business for the Associational sermon. Rev. J. L. Roane then read the 12th chapter of Romans. Using Mark 16:15 as a text, he preached on the theme, "Responsibility to God."

Dr. J. E. Buchanan led in prayer.

AFTERNOON SESSION.

First, songs were sung and other letters presented and read. Then the following named persons were elected as officers of the Association for the ensuing year:

G. E. Denley, Moderator; C. H. Ellard, Clerk; A. L. Roane, Treasurer.

Motion carried that the Moderator appoint committees on Nomination and Finance.

J. G. Henry was appointed Finance Committeeman.

A. A. Brunner, H. P. Pate, and W. H. McGuire were named as Committee on Nominations.

A call was made for messengers from other associations. Bro. Mitchel, formerly of the Chickasaw Association, and Rev. T. J. Moore and Dr. R. B. Gunter, from the state at large, presented themselves.

An opportunity was then given for volunteers who would attend the State Convention as delegates from the Association. After several had responded a motion carried that any who find later that they can go, may be enrolled as delegates by sending their names to the clerk of the Association for enrollment. To date the following named persons have been enrolled: Bro. A. A. Brunner and wife; Dr. J. E. Buchanan and wife; Wilton Simpson, Rev. D. L. Wilson, Wesson Crocker and wife, Rev. C.

L. Rhodes, Rev. S. H. Shepherd, Rev. W. P. Winter, Rev. J. L. Powell, G. D. Collums, Rev. A. F. Brasher, Mrs. Ida Harrelson.

A call was made for Petitionary Letters. None were presented.

Rev. S. H. Shepherd was selected by the Association to represent that body at the Southern Baptist Convention when assembled at Washington next May. W. M. Crocker was elected alternate.

The following report on Publications was read by Rev. J. F. McKibben:

REPORT ON PUBLICATIONS.

The influence of literature is almost beyond our comprehension. We first recommend the Bible which is a lamp to our feet in every avocation of life. From it we get the information and inspiration that lead to proper actions. So many of us have both a heart head trouble—the heart is cold and the head is empty. Religious literature helps to warm the one and fill the other.

We would always stress the importance and necessity of a larger reading of our denominational state papers. Mississippi is seeking to promote missionary intelligence and the Bible doctrine of stewardship through the use of tracts which can be had for the asking for them. It is an indisputable fact that those who read our literature co-operate in the work.

Respectfully submitted,

CONCORD CHURCH.

The report was discussed by T. J. Moore, A. A. Brunner, R. B. Gunter, Wilton Simpson, G. D. Collums, J. F. McKibben, H. P. Pate, J. L. Powell, and adopted as read.

The report by the committee on nominations was then read.

REPORT ON NOMINATIONS.

We, your committee on Nominations, recommend Elam Church, three miles east of Coffeeville, as being a suitable place for the next Association.

And we recommend that the Association convene on Wednesday after the third Sunday in September, 1920, at 10 A. M.

We recommend that Bro. J. T. Sargent preach the Introductory sermon, and Rev. S. R. Haughton alternate.

We recommend that S. H. Shepherd, J. O. Rich and J. L. Johnson be appointed to arrange the program and places for the 5th Sunday meetings for the year 1920.

We recommend that H. P. Pate, J. H. Ballard and T. J. Dolahite for Executive Committee.

H. P. PATE,

W. H. McGUIRE, Committee.

The report was adopted as read.

A report was made by the committee on entertainment.
Motion carried to adjourn the Association until 8:30
Thursday morning.

THURSDAY—MORNING SESSION.

The song, "What A Friend We Have in Jesus," was sung in the beginning.

Dr. J. E. Buchanan conducted the devotional exercise. He read for the lesson from the first chapter of the Acts of the Apostles.

Minutes of the previous day were read and corrected.

Other church letters were presented and read.

Motion carried that all the remaining reports be read before further discussion was entered into.

Reports on the following subjects were read and properly brought before the Association for discussion: Foreign Missions, State Missions, Home Missions, Orphanage, Ministerial Education, Prohibition, Sunday Schools and Woman's Work.

FOREIGN MISSIONS.

With gratitude and profound reverence to God for His love and mercies through this the most eventful year of all our history, we present our forty-fourth annual report on Foreign Missions.

Never in all of our history has there been so eventful a year. The minds of the people have been distracted, the work of the churches interrupted. The demands upon every side came; but the people responded nobly. In all of the calls we went over the top. Even our Foreign Board reported a clean balance sheet. This shows that there is a growing Baptist pride and love for the Lord's work far away. In the midst of war, "flu" and sorrow, God's work was not forgotten.

What are some of the visible results of this work? 5,635 baptisms, 41 churches constituted, \$173,372 contributed by the native christians, 2 churches assuming self-support, 129,298 treatments by the medical missionaries. Now with these striking and encouraging facts let us do as the Master said, "Behold the field white already to harvest." Behold! We see Europe all torn and bleeding, in a worse state than she has ever been in, and her religion weakened. Germany and France, in a measure, have pulled away from the Pope, and the Pope was denied a place at the peace table. This is a jar to the Catholics.

This is the greatest time to carry the Gospel of Christ to these countries. The doors are open too for us to enter. Shall we go? God help us to hear the call to far away Europe. God help to answer the call with the Gospel of Christ that sets free

the captive, enriches the poor and humbles the rich and haughty.

We recommend: 1st. That every christian make special prayer for this cause; 2nd, That each church have mission study classes that are prepared by the Board.

Respectfully submitted,

S. H. SHEPHERD, for Derma.

STATE MISSIONS.

State Missions means the effort the Baptists of the State are making in a combined way to establish the Kingdom of Christ in the hearts of all the people in Mississippi.

The work is directed by a committee or board made up of one man elected by each Association.

This work is divided into several departments.

Jointly with the S. S. Board we are doing a S. S. Mission work.

We have a B. Y. P. U department to aid the Baptist young people in becoming trained for service.

The Womans Mission Union has an active department.

There is an enlistment department through which the churches are led to greater efficiency along all lines.

The salaries of many weak churches are being supplemented, thereby enabling them to maintain services when otherwise they could not.

All these lines of work, along with aid given to construct church houses, are being vigorously pushed by State Missions.

Last year we expended \$44,494.03 in this work.

The call for state mission funds is urgent just at this time. October is State Mission month and every church should make a strong offering during this month for this cause and send it in before Nov. 1st.

After this year State Missions will receive its support under the 75 Million Program Budget.

Respectfully,

PITTSBORO CHURCH.

REPORT ON HOME MISSIONS.

After His resurrection and before His ascension, our Lord announced His program on Missions. It was, "Go ye, therefore, into all the world and preach the gospel to every creature." Repentance and remission of sin shall be preached in His name in all the world, beginning at Jerusalem (Home.)

He that is unwilling to heed the commission of the departed Lord is indispensable to vital christianity.

For convenience, the work of the churches in Missionary operations is divided into three departments, State, Home and

Foreign. Home Missions by the Southern Baptist Convention, include destitute places in the bounds of this Convention, together with Cuba and Panama, among the foreigners, negroes and Indians.

The Home Board has spent thousands of dollars building church houses, and yet, we have four thousand homeless churches in the South that need help in the erection of suitable houses of worship. We also have thirty-five mountain schools through which to reach the needs of three million mountaineers sorely in need of facilities and forces to meet the crying necessities of that great field.

How are we to meet this demand? The Seventy-five Million Campaign, therefore, presents a great opportunity for the Southern Baptists to show how three million of them can co-operate in a great campaign which takes in all their combined activities. Twelve million dollars is the apportionment for Home Missions, a large figure compared with what we have been doing, but reasonable in comparison with our ability, and small in comparison with the needs of the Home Mission Field.

Therefore, let us not neglect our Jerusalem in this great campaign, and God grant that we, the Baptists of the South, may make a greater effort to fill the ever increasing opportunities in a way that will be pleasing in His sight.

ELLA MARTIN, for Sarepta Church.

BAPTIST ORPHANAGE REPORT.

Our Baptist orphanage at Jackson, Miss., is an institution that should appeal to the best that there is in every child of God. It meets a need that has long been felt by christian people. Through all the ages God's people have been urged to take special care of the widow and orphan, and have been warned of the dangers that may befall them if they neglect to heed the cry of the orphan child.

It was Jesus who said, "Suffer little children to come unto me, and forbid them not, for of such is the kingdom of heaven." James gives it as the evidence of pure and undefiled religion before God to visit the widow and the fatherless in their affliction.

Our people have stood by our orphanage nobly, and have made it possible for the orphanage to give food and shelter and schooling and training to more than 800 children. Many of these have already gone out to fill positions of usefulness and to make good citizens and useful christians. We have now in the home 135 children.

We would remind our people of the necessity of an increase in their contributions to the orphanage in order that

that we may be able to meet the additional cost of living. Let our women continue to send boxes of clothing as heretofore, and the members of the canning clubs send all kinds of canned goods as they did last year. Let our people generally contribute produce of all kinds to the free cars which we hope to procure. We would recommend that our Sunday School give monthly to the orphanage and that our people make special prayer for the orphanage and its management.

SHILO CHURCH.

MINISTERIAL EDUCATION.

There is no more important man in organized society than the preacher.

As God's called evangel of the Gospel of Life and Salvation his position is pre-eminent. He is to be a leader in all that is for the uplift and development of his people to whom he ministers. His ability to lead and help will be in proportion to his development of heart and mind. How important that he take advantage of every opportunity and means to improve himself in heart and mind. No department of our christian work should be fostered and helped by our people at large more than christian education, and especially our preachers. Our denomination has made rapid progress in this line in the past 50 years. To-day for educated ministers we stand in the forefront of all denominations. But more and more is it necessary for us to help our young preachers to fit themselves for their great work. The increased education among the masses, the open attacks upon our Bible, and the fundamentals of our holy religion, require cultured men to defend the faith and properly lead the people.

VARDAMAN CHURCH.

REPORT ON PROHIBITION.

For many years it has been the hope and prayer of all christians whose eyes were open to the enormous evil of the whiskey traffic to see it outlawed in every State, and to see prohibition laws enacted into our nation's code. Through prayer and constant labor these hopes and prayers have been realized. Our nation now is bone dry so far as the laws of the land are concerned.

Prohibition is a reality.

Our work, however, against strong drink is not complete. Our task now is to see to it that these good laws shall be enforced. The spring-branch moonshiner is to be sought out and made to feel the penalty for the violation of law. The sneaking boot-legger must be brought to feel that the way of the transgressor is hard. A few years now of diligent execution of these

laws will completely rid our country of the devil-conceived and hell-born whiskey business.

Let everyone of us see to it that the officers of the law be promptly informed of every violation of this law, and backed up in the execution of it.

MRS. GLENNIE HENRY,
LESLIE E. ROANE, Committee.

SUNDAY SCHOOLS.

If called upon to say, which, in our judgment, of our church institutions, aside from the preaching of the Gospel, has done and is doing more to bring the world to Christ, we would unhesitatingly answer the Sunday School. This phase of church work has long been neglected and is yet almost in its infancy, yet we are glad to note that the church-going folks are coming more and more to see and realize its importance in the advancement of the cause of Christ, and those of us who have shared in the benefits and understand its great importance should never lose an opportunity to speak a word in favor of the work and give every encouragement possible to increase the growing interest in this very important work in our churches. We might say here while many things may be substituted in the place of a good live Sunday School, in our judgment, nothing can take its place and do the work or get the results of the Sunday School. For many years the Baptist folks as a whole, and especially those in the rural communities, have neglected this very important part of church work. But from reports gathered we are glad to say that our people are waking up to a certain extent to the importance of this work, and we believe that the next few years are going to find us far advanced in the carrying out the command of our Savior in the teaching of the Word. For many years people apparently thought that the Sunday School was a place where children might be sent for a few hours on Sunday to keep them out of meanness. But of late we have come to know that it is the most profitable place for the young man and young woman, for the older men and older women, in fact, a very desirable place or should be for every member of every family within reach of a school.

And one of the important facts that we wish to impress on this representative body of Baptist believers is your duty in seeing to it that there is a school organized and maintained in every Baptist church in the Calhoun Association. You may not have noticed it but it is nevertheless a fact that where you find a live Sunday School kept up and maintained all the time you will find well informed and progressive people along all lines of church work, but very few boys and girls go from Sun-

day School classes into sin and shame. But as a rule make our best citizens and most enthusiastic church workers. Then if we would do something worth while, something that will tell for the advancement of church work and the upbuilding of the cause of Christ, let us go back to our respective churches and at once organize a Sunday School if we have none, and if we have one, let us do our best to make it a better one. Pray over it, talk about it, get everybody in your neighborhood interested in the Sunday School. And in so doing, in our judgment, you will have accomplished a great and good work and one that will bear fruit that will be gathered up many days hence.

Respectfully submitted,

ELAM CHURCH.

WOMAN'S WORK.

Women all down the ages have been mighty factors in the ongoing of the kingdom. They today furnish a large part of the spiritual force in our churches. In their organized capacity, and in their distinctive and united work, they are much depended upon by our leaders in our practical work, for the furtherance of kingdom interests. In our present drive for Seventy-five Million they are asked to raise one-fifth of it. They seldom fail in their aim. Their gifts to kingdom work in the past years have been large and steadily increasing. May the number of their Societies increase. May all of our women, whether organized or not, rally to the help of the Lord in this great move now on, and by sympathy, prayer and gifts help to make victory complete.

CALHOUN CITY CHURCH.

Mississippi Campaign Song was sung by the congregation. Prayer was led by Rev. J. L. Roane. Rev. R. B. Gunter then made an instructive and inspiring address in the interest of the 75 Million Campaign. Some of the Scripture quoted was from the Second Psalm, Matthew 28th chapter, first chapter of the Acts of the Apostle, and 14th chapter of John. He emphasized the fact that each man is a free moral agent; but also stressed the importance of carrying out the Lord's command.

Dr. J. E. Buchanan insisted that we consider seriously the great things brought before us in the splendid address.

Announcement was duly made in regard to Bro. Moore's address for the afternoon service.

THURSDAY—AFTERNOON SESSION.

Song service was conducted by Prof. J. E. Williams.

Bro. T. J. Moore then discussed "God's Money Law," and

proportionate giving in connection with the Baptist 75 Million Campaign.

The reports read in the morning were discussed by Rev. A. F. Brasher, W. M. Crocker, Rev. S. H. Shepherd, Dr. J. E. Buchanan, Rev. T. J. Moore, and Rev. J. F. McKibben.

Rev. R. B. Gunter talked briefly on tithing. Several expressed themselves as ready to begin tithing. Others agreed to prayerfully consider the matter.

After omitting the last sentence from the report on Publications, the reports were adopted without further change.

Just at this time Rev. A. F. Brasher introduced a resolution that the Calhoun Baptist Association raise her quota on the 75 Million Campaign.

A worsted quilt, quilted and sent by Sister Mary Ann Parker, aged 78 years, was then offered for sale. After paying \$5 for the quilt Dr. J. E. Buchanan generously returned it to the Association to be resold. He suggested that all who would pay on the quilt and then send the quilt to the orphans. The total proceeds \$16.22, was handed to the treasurer to be divided as Sister Parker suggested—one-half to herself and one-fourth to each State and Foreign Missions.

Dr. J. E. Buchanan introduced the following resolution, which was read and adopted:

RESOLUTION.

Resolved, 1st, That the thanks of this body be returned to our officers for their faithful services.

2nd, That we extend to the pastor and people of this community our thanks for the very splendid entertainment given us while in their midst.

3rd, That the clerk have printed and distribute the minutes as usual, and he have \$5 for his services.

Other letters were read. Minutes of the day were read for correction.

In the absence of the Finance Committeeman, the clerk made his report. The minute fund amounted to \$45.40.

The Association was adjourned to meet with Elam church three miles east of Coffeerville on Wednesday after the third Sunday in September, 1920.
